Stick (2 years growth) 5 to 8ft £0.80 / each

Unsorted bundles of coloured withies

Fresh Cut (Feb – May soaking not needed) £2.50 / Kg

Dried (available All Year, need soaking) £3.50 / Kg

These our own grown varieties with different natural coloured barks, green, brown, yellow, orange and red. They are as cut so contain various lengths from 2 – 10ft with branchy rods and the odd dock stalk or weed

All our dried willow products are supplied untreated unless **treatment** is specified. **Untreated dried willow products will last up to 3 years outside, however, they will become less supple with time and naturally fade in colour.**

For all our products, other sizes and designs are available on request.

Visits to our plantation and workshops by appointment only
